April 2024

2023 Annual Report

Part I Important Notice, Table of Contents and Definitions

The Board of Directors, the Board of Supervisors as well as the directors, supervisors and senior officers of Infore Environment Technology Group Co., Ltd. warrant that the information in this report contains no misrepresentations, misleading statements or material omissions, and jointly and severally accept liability for the truthfulness, accuracy and completeness of information in this report.

Ma Gang, the Company's legal representative, Wang Qingbo, the Company's principal officer in charge of accounting, and Wu Shanshan, the principal officer of the Company's accounting division (head of accounting) warrant that the financial statements contained in this report are truthful, accurate and complete.

All directors of the Company attended the Board meeting to review this report.

Any forward-looking statements such as future plans mentioned in this report shall not be considered as promises to investors. Investors are advised to pay attention to possible investment risks.

The Board has approved a proposal on dividend plan as follows: Based on the total share capital (minus shares in the Company's repurchase account) on the date of record for the 2023 final dividend plan, a cash dividend of RMB 1.25 (tax inclusive) per 10 shares will be distributed to the shareholders, with no capitalization of the capital reserve to share capital.
